ANNUAL REPORT  
OF THE  
ELECTION DEPARTMENT

FOR THE YEAR ENDING JANUARY 31, 1914.

---

BOSTON, March 5, 1914.

HON. JAMES M. CURLEY,  
*Mayor of the City of Boston:*

SIR,— In compliance with section 24 of chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

NUMBER OF VOTERS.

At the city election held January 14, 1913, the number of male voters on the list was 112,126. The number of such voters on the first list published by the Board, June 2, 1913, was 101,256. From that time to the close of registration for the city election there were added the names of 10,707 male voters. The number of male voters on the final list sent to the polls on the day of the city election, held January 13, 1914, was 110,946, a decrease of 1,180 from the number on the list at the city election in 1913.

There were 11,127 female voters registered for the city election in 1913. There were 10,020 female voters registered for the city election in 1914, a decrease of 1,107.

## RECOMMENDATIONS.

*First.*— That the time for holding the city election be changed from the first Tuesday after the second Monday in January to the sixth Tuesday after the state election.

*Second.*— That if the above date for holding the city election is made, that the number of signatures required to nominate a candidate for Mayor be reduced to 2,500, and that the number of signatures required to nominate candidates for City Council and School Committee be reduced to 1,000.

*Third.*— That candidates for city offices be required to file a request in writing with the Election Commissioners that nomination papers be issued to them.

*Fourth.*— That the Election Commissioners shall print or insert on such nomination papers the names of the candidates, the offices for which they are nominated, their residences, and the names of a committee to fill vacancies in case of withdrawal, provided that the names of said committee be filed with the Election Commissioners before the issuance of nomination papers.

*Fifth.*— That not more than 300 nomination papers be issued to candidates for Mayor, and that not more than 100 nomination papers be issued to candidates for City Council and School Committee.

*Sixth.*— That no nomination papers except those issued by the Election Commissioners shall be received by them or be valid.

*Seventh.*— That the Election Commissioners shall not certify a greater number of names than are required to make a nomination with one-tenth added thereto.

*Eighth.*— That nomination papers shall not contain the names of more than one candidate.

*Ninth.*— That independent nomination papers preceding the state election be filed with the Election Commissioners for certification not later than five o'clock of the Friday next preceding the last day for filing such nomination papers with the Secretary of State.

## JURORS.

The jury list prepared by the Board in 1913 contained the names of 8,862 voters of Boston. During the time covered by this report 2,958 persons were drawn for jury service.

## SCHOOLHOUSES.

The use of basements of schoolhouses for polling places has ceased to be an experiment. It is now the policy of the department to use such basements when they can be secured, not only on account of the economy incidental with such use and the permanency of the polling place, but because it removes from the highways many of the polling booths, which, under the former conditions, would remain therein in most cases from early in September until late in January of the following year. As the use of these basements is not an interference with educational work, we believe the policy of using them should be extended wherever possible. We are of the opinion when new schoolhouses are erected a room should be set aside in the basement which might be used as a polling place for primaries and elections, and so adapted that during the remainder of the year it could be utilized for school purposes. We have had the hearty cooperation of the School Committee and the Schoolhouse Department in this work.

Facing this page is a picture of the voting in progress at the city election in the polling place located in the basement of the Longfellow School — Ward 23, Precinct 11 — which shows some of the scholars of the school witnessing the proceedings.

## MEMBERSHIP OF THE BOARD.

The term of Alpheus Sanford, Esq., expired March 31, 1913. Hon. Tilton S. Bell was appointed as his successor for the term of four years ending March 31, 1917, and was approved by the Civil Service Commission. He assumed the duties of his office May 1, 1913.

John M. Minton, Esq., was designated by the Mayor as chairman of the Board of Election Commissioners and member of the Listing Board.

## EXPENSES OF THE DEPARTMENT.

The expenses of the Election Department for the year ending January 31, 1914, amounted to \$148,487.50.

## INVENTORY.

An inventory of the property of the department will be found on the last page.

Respectfully submitted,
